Players will be prompted to log-in or register. Players may scan the barcode on the bottom of a ticket or may manually enter the 24-digit ticket number found on Eligible tickets.

3. Deleted Accounts. If a player deletes his/her account, whether through the App or on the Florida Lottery's website, all account data, including ticket entries, associated with the email address used to register his/her account will also be deleted. Any entries earned, as described in subsection (3), below, will not be entered into a drawing. A player's account cannot be reactivated using the email associated with the deactivated account. Should a player establish a new account utilizing a different email address, account data, including ticket entries, cannot be transferred to the newly established account. Tickets entered under the prior account cannot be re-entered utilizing the newly created account.

A person who has made a legal name change must provide a copy of a marriage certificate/judgment/court order, as applicable, as proof of a differing name. Fictitious names and business names will not be accepted and shall subject the player and any associated entries to disqualification.
